Suitable for:	Civics Educational area: Man and Society Educational field: Citizenship education		
Teaching aids, preparation:	PC, dataprojector, whiteboards for brainstorming and mind mapping		
Time needed:	1 unit (45 minutes)		
Description of activity:	At the start, a brainstorming will take place to determine the level of student pre-concepts in the field of higher education in Europe and in the UK. Afterwards, the teacher will introduce students with the principles of diversity and inclusion currently applied at these universities. The teacher then informs the students about the current situation in the UK and the EU through a presentation. Diversity is discussed in relation to its history, its concept in literature and in contemporary education.		
Created:	10. 3. 2022	Author:	doc. Mgr. Pavlína Flajšarová, Ph.D.
Own reflections:	Students will gain a deeper insight into the current situation at European and UK universities. As a part of discussion, they can share their own experiences with the diversity and inclusion at their school. At the end, there is a feedback with student's reflection, on which students can verify the amount of memorized information from the presentation.
