Toolkit for school teachers

Erasmus+

NAETINEM

Name of activity:	GLOBALIZATION AND INTERNATIONAL COOPERATION		
Educational objective:	Advanced information about the globalization and international cooperation. Forming opinions on globalization issues through confrontational discussion.		
Qualities in focus:	Civic responsibility		
Target group, age of the students:	19 th years of age (tertiary education)		
Suitable for:	Civics Educational area: Man and Society Educational field: Citizenship education		
Teaching aids, preparation:	PC, dataprojector, internet network		
Time needed:	1 unit (45 minutes)		
Description of activity:	At the start, a brainstorming will take place to determine the level of student pre-concepts in the field of globalization. Afterwards, the teacher will introduce students with the role of today's states in the international cooperation, globalization issues and problems coming with the global perspective of politics and economic cooperation. The last part represents a feedback discussion of students and explanation of their questions.		
Created:	10. 2. 2021	Author:	Mgr. Pavel Krákora, Ph.D.
Own reflections:	Students will gain a deeper insight into the reflection of globalization and its problem in current world. With using the information in the presentation, students can discuss and reinforce their opinions and attitudes on the issue of globalization and their understanding of international cooperation. At the end, there is a feedback with student's reflection, on which students can verify the amount of memorized information from the presentation.
